1. This form must be kept on file for each infant enrolled for child care.
2. As situations change, such as a medical authority changing the infant's formula, a new form should be completed.
3. This form must be kept **current and accurate** for each infant enrolled for child care until the infant reaches one year of age or is no longer being fed breastmilk or infant formula. Breastmilk is now considered an acceptable milk substitute for children at any age within the context of the CACFP.
4. If the parent/guardian declines the formula and the provider provides at least one **required** meal and/or snack component, the meal may be claimed for reimbursement.
5. If the parent/guardian declines infant meals/snack, meals and snacks may **NOT** be claimed for reimbursement.
